

Sightseer

WINNEBAGO

Why Sightseer?

- Powered patio awning with LED lighting and metal wrap
- One-piece fiberglass roof
- Corian® galley countertops, sink covers, and decorative backsplash
- Versa easy-swivel driver's seat
- Available exterior entertainment center
- Available powered StudioLoft™ bed
- Motoraid supplemental hot water and heating system
- New 10" dash radio/Bluetooth® multimedia system
- Dash workstation with USB cable connection

On the Cover: 36Z Black Walnut Full-Body Paint

36Z Reflection with Glazed Driftwood Cabinetry

Set Your Sights On Stunned

As you travel coast to coast in your Sightseer®, some of the most enticing sights are right inside your coach. Enjoy four new interiors, new vinyl tile floor covering, and a high-polished Corian® galley countertop. Three triple-slide floorplans provide a wide array of residential features, such as the inLounge™ extendable sectional

sofa in the 35G and a cabinet with an electric fireplace in the 36Z. All three floorplans feature a private master bedroom with an available king bed, and a powered StudioLoft bed can be added above the cab for additional sleeping space. No matter where your travels take you, you'll always be surrounded by comfort and style in your Sightseer.

2016 MotorHome
READERS' CHOICE
WINNER
Class A

36Z Reflection with Glazed Driftwood Cabinetry

The Sightseer greets you with a nicely sized lounge in three floorplans, fit for you and your family. The 33C offers the Comfort Sofa Sleeper or the available Rest Easy® sofa, a recliner, and the Glide & Dine™ dining table with a built-in buffet. Select the 36Z for a standard Rest Easy sofa and the BenchMark® dinette. For the best of both worlds, select the 35G with the inLounge™ with two movable pedestal tables that is a dinette and sectional sofa all in one. Each lounge is arranged to provide excellent viewing of the entertainment center with an HDTV. MCD solar/blackout roller shades on select windows and LED interior lighting create a comforting atmosphere, while the electric fireplace (NA 33C) helps set the mood. If you travel with guests, the available StudioLoft is a nice addition providing an additional sleeping space that tucks into the ceiling when not in use.

Powered Shade with Privacy Curtains for Driver/Passenger Windows

Available Passenger Seat Footrest

36Z BenchMark Dinette

36Z BenchMark Dinette Storage

36Z BenchMark Dinette as Bed

OnePlace® Systems Center

36Z MCD Solar/Blackout Roller Shades

36Z Wall-mount Stereo System

36Z Rest Easy Sofa with Footrests

36Z Rest Easy Sofa Reclined with Footrests Extended

36Z Retractable HDTV Up

36Z Retractable HDTV Down

36Z Galley

The galley presents you with a stunning workspace that starts with Corian high-polish solid-surface countertops with a decorative backsplash and matching sink covers. Standard appliances include a recessed three-burner range top and a microwave/convection oven that cooks and browns like a conventional oven in less time. A four-door refrigerator with an icemaker in the 33C and 35G provides ample cold storage, or you can select the 36Z for a two-door residential refrigerator/freezer that also includes an icemaker.

36Z Full-Extension Drawers

36Z Refrigerator/Freezer

36Z Microwave/Convection Oven

36Z Bedroom

Each floorplan features a slideout, ample wardrobe space, and an available walkaround king bed. The 35G comes standard with a powered queen bed that adjusts for sleeping, reading, or watching the HDTV. It features the Ideal Rest® Nouveau™ digital comfort control mattress that provides individual firmness control on each side of the bed. The powered bed and comfort control mattress is also available in a king size in the 35G.

36Z Available StudioLoft Bed

36Z Master Bathroom

36Z Shower

Dash

Slide behind the wheel and feel the power of the V10 SEFI engine with a TorqShift™ six-speed automatic transmission that gives you confidence to climb hills and tow vehicles with ease. The 10" multimedia system not only assists with backing up, it doubles as a touchscreen for the radio, optional SiriusXM® radio (includes a 90-day trial subscription), and any Bluetooth® connected devices. The Primera® cab seats provide cushioning for extensive travel and are available with a passenger seat footrest for additional relaxation support.

Passenger Dash Workstation with 12V USB Charging Ports

Powered Mirrors with Defrost and Sideview Cameras

36Z Powered Patio Awning with LED Lighting

The 36Z offers two powered awnings on the passenger side providing shade for you and all your friends as you enjoy the fresh air. For another reason to spend time outdoors, add the available Exterior Entertainment Center with an HDTV and two stereo speakers. Full-body paint comes standard, with four exciting paint schemes to capture your personality.

Fiberglass Roof

The crowned, one-piece fiberglass roof is backed by a 10-year limited parts-and-labor roof skin warranty.

Thermo-Panel® Sidewalls

By layering fiberglass and high-density block foam insulation with welded aluminum support structures, we create some of the industry's strongest, most durable and lightweight sidewalls.

E-Coating An electrodeposition coating helps protect critical steel components.

Embedded Steel Metal substructures embedded into the sidewall provide solid attachment points to keep cabinets and appliances mounted securely in place.

Solid Framework Structural extruded aluminum creates an extremely strong solid frame.

Laser-Cut Tubing

Precision laser cutters create precise joints in structural steel that are stronger and require less welding.

Interlocking Joints

Specially engineered interlocking joints connect the floor, sidewalls and roof where competitors often rely on simple screws to bear the weight.

SUPER STRUCTURE

BUILT TO LAST

Every coach—from our smallest Class C to our largest diesel-pusher model—is built to Winnebago's® legendary SuperStructure® construction design. It's a process developed and refined over more than 50 years of building some of the strongest, most durable coaches in the industry.

TESTING Before rolling out of our factories, every coach undergoes an extensive 113-point inspection. Each coach also passes a high-pressure water test that simulates rain at a rate of 50-inches per hour to check for leaks. During the design process, our computer simulations, physical testing center, and rigorous test track ensure each model is built to last.

DETAILS At Winnebago, we treat the features you can't see with the same care as the ones you can. Look in the access panels of some of our competitors' coaches and you'll see loose insulation and wires haphazardly strewn about. Winnebago maintains a clean fit and finish throughout so your coach will last for the long haul.

BUILT IN-HOUSE We process and finish key aluminum parts. We rotocast our own plastic components. In fact, we manufacture most of our own parts so they are designed to fit the space, rather than fitting the space to an awkward off-the-shelf component size.

**SUPER
STRUCTURE**
BUILT TO LAST

W Visit BetterBuiltRVs.com to gain real insight into what goes into a Winnebago motorhome.

TAKE A TOUR We're proud of our processes, state-of-the-art facilities, and the people who make Winnebago number one. We invite you to visit our complex in Forest City, Iowa, for a firsthand look at the dedication and technology behind every motorhome we build.

**10-year limited parts-and-labor warranty on roof
 skin⁸**

FOOTNOTES

- The height of each model is measured to the top of the tallest standard feature and is based on the curb weight of a typically equipped unit. The actual height of your vehicle may vary by several inches depending on chassis or equipment variations. Please check with your dealer for further information.
- Floorplans feature a wide-body design - over 96" In making your purchase decision, you should be aware that some states restrict access on some or all state roads to 96" in body width. Before making your purchase decision, you should confirm the road usage laws in the states of interest to you.
- The load capacity of your motorhome is designated by weight, not by volume, so you cannot necessarily use all available space when loading your motorhome.
- Capacities are based on measurements prior to tank installation. Slight capacity variations can result due to installation applications.
- Capacities shown are tank manufacturer's listed water capacity (W.C.). Actual filled LP capacity is 80% of listing due to overfilling prevention device on tank.
- Actual towing capacity is dependent on your particular loading and towing circumstances which includes the GVWR, GAWR, and GCWR as well as adequate trailer brakes. Please refer to the Operator's Manual of your vehicle for further towing information.
- See separate chassis warranty.
- See your dealer for complete warranty information.

NA Not Available

Not all items available in combination. See dealer for details.

Winnebago's® continuing program of product improvement makes specifications, equipment, model availability, and prices subject to change without notice. Published content reflects the most current product information at time of printing. Please consult your dealer for individual vehicle features and specifications.
